20 concerts in Germany, rated more than nine weeks in the lithuanian radio charts, nominated as "Best Newcomer" by the lithuaninan "Radio Centras Awards" and a gig in front of 1500 people

at the sold out "New York Club" in Vilnius. More over the Band gathered about 3 500 fans on famous myspace and hundreds of them on draugiem/frype. No doubt: 2007 has been a great year for elinas. In 2008, the band is about to take the next steps. A video for "Better Way" is going "on air" this summer. Backed up by the band`s first longplayer coming out in winter, the four guys are looking forward to hit the road in the Baltics.
